

### Thank you for abiding by the following;

Do not stretch our logo.

Avoid placing our logo on alternate/complex colours and backgrounds, incl. photos.

Do not crop our logo.

Leave clear space around the logo before adding text.

correct

incorrect

**\*\*\* VERY IMPORTANT \*\*\***

Under **no** circumstances are you to place your text/logo onto Dansez-Vous? images to use as your own. All available Dansez-Vous? Images have been provided and must be used as you have received them, with no additions.

Should you require text to advertise a Dansez-Vous? competition/event, please contact us to assist with the artwork.

Under no circumstances are you to use Zelig associated to any other brand or products than Dansez-vous?

**When building e-catalogue and catalogue;**

Please use our official products pictures (available on our website) when building your catalogue, e-catalogue or e-boutique. In case you'd wish to use your own pictures of our products please submit them to us for approval first.

**When posting about our products;**

- Please ensure you always use the correct and full term for the model.
- Please don't mix our products with those from other brands or other brand display
- Please indicate the materials and colours the product(s) are available in, if applicable.
- When posting on Social Media platforms; ie. Facebook, Instagram and Twitter, please tag our account handles.
